課程目標

Course objectives

為因應全球趨勢與厚植學生競爭力，英語教學資源中心自**110**學年度起開始推動EMI（English as a Medium of Instruction）教師專業發展計畫，鼓勵教師以英語作為授課語言，並帶領學生進行課堂討論與成果分享、強化學生英語各項能力，達到最終教學目標，期望透過多元的教學模式與交流，共同打造全英授課環境。

To respond to the global trends and strengthen students' competitiveness, the Center for English Teaching and Learning Resources has launched the EMI Professional Development Project for faculty members, starting from the 2021 academic year. This project aims to encourage teachers to run courses in English and stimulate more interactions in class. Students are also expected to share their work with the hope of enhancing their English skills and achieving the course objectives set for them. The ultimate goal of the project is to establish an English-rich environment through diverse teaching methods and experiences.
